He will be a fantastic addition, says Jose

JOSE MOURINHO hailed Alexis Sanchez as a landmark signing after the former Arsenal star took his first steps in a Manchester United shirt. Mourinho watched the Chile international help secure United's place in the FA Cup fifth round. The United manager said: 'Alexis is a fantastic addition. He brings maturity and class. 'I want good players and Alexis is a fantastic player. The questions are which one is going to be out, who will not play. 'This is emerging as a fantastic group of attacking players and he is another one with more maturity and experience. 'These matches are difficult if the attitude is not correct. In the first half they gave us a difficult time, pressing and aggressive on the ball and on the shinpads. I could hear (manager) Darren Way on the touchline, he knew what he was saying, they were organised.' Goalscorer Ander Herrera added: 'We had to work very hard, it's not easy to come here. The passion they put in for every ball made it tricky, but we took it very seriously. 'Alexis Sanchez can play everywhere, he's fantastic. The attitude he shows, he fights for every ball. He's a star and it's amazing to have him with us.' Forward Jesse Lingard added: 'Our attitude was spot-on. It was always going to be tough. We adapted well to the ground and all made an impact. 'The FA Cup is very important. It's great to win trophies, that's what we are here for.'

take responsibility and Rashford nipped in and rolled the ball into the net.

It was a genuine pity for Yeovil whose first-half display had exceeded all expectations. Indeed, they had two excellent opportunities to score in the opening 15 minutes. For the first, after seven minutes, Ryan Dickson put through Jordan Green — a League Two Raheem Sterling — and he sprinted on goal before shooting straight at Sergio Romero.

Soon after, a free-kick from Jake Gray was met by Sowunmi, bundling Luke Shaw out of the way, but delivering an ordinary header

that again required little movement from Romero.

A James free-kick from the edge of the area also provided a test in the 37th minute, Romero choosing to punch it clear as so many South American goalkeepers do, but succeeding only in creating an unseemly goalmouth scramble.
