BOXING-DAY WEDDING
The wedding took place at the Unitarian Chapel on Boxing-day of Mr. Morley Norman Ryall, eldest son of Mr. and Mrs. Ryall, of Bowhayes Terrace, Shepton Beauchamp, and Miss Rita Rose Monkton, fourth daughter of Mr. and Mrs. W. J. Monkton, of 9, Hermitage-street, Crewkerne. Mr. Reg. Saddler officiated and Mrs. Ponsford was organist for the choral service. The bride, given away by her father, wore a white crepe dress with veil of orange blossom and carried chrysanthemums. Her only ornament was a gold locket and chain, the gift of the bridegroom. Misses Betty and Cynthia Monkton, school children, were bridesmaids. The former wore a pink organza dress with headdress to match, and the latter a blue dress of the same material. They carried baskets of necklaces, the gifts of the bridegroom. Mr. Ronald Ryall was best man. When the bridal couple left the church, members of the Unitarian Youth Club formed a guard of honour. Over 70 guests attended the reception in the Unitarian Schoolroom. The many presents included silver fruit spoons and a cheque. Grenside Johnston set to the bride, from colleagues at the factory of Messrs. Arthur Hart & Son, and laden with presents for patients, staff and visitors. Even the "little stranger" arriving Christmas-eve was not forgotten. The traditional dinner on Christmas Day, Christmas pudding and mince-pies was served to patients and staff. Then all gathered in the female ward to listen to H.M. the King's Broadcast. Everybody joined in the singing of the favourite carols after which the "staff choir" sang the 23rd Psalm to Brahms' Lullaby. During the interval, tea (pre-war standard) was served to all, after which the concert was resumed. Mr. Hancock, of Stoke, delighted with one of his Somerset readings. Items rendered by the Misses Y. and Z. Wilson, Valerie Wray, Mrs. Gwen Wells, Galway and Nurse Lawrence, a preview of nursing 50 years hence, were given by Sister Laver, Sister Gould and Mrs. Wilson. Although this caused much amusement, the rush to enrol was conspicuous by its absence. Short comedy was acted by Nurses Hutchings, Skinner, Lawrence, Rasmussen and Lewis, and this caused much merriment and proved a joyful climax to the afternoon's proceedings. The gifts from the tree were distributed by "Mrs. Claus" to everyone present. Rev. G. S. Stubbs proposed a vote of thanks to the Matron for organizing such a happy day. This was carried by the loudest honours and cheers. Miss Colley, replying, thanked the Rev. Stubbs for his appreciation and said the only hope was that they enjoyed themselves as she herself had. This afternoon's party would have not have been possible without the fullest co-operation of the Staff. Those responsible were: Mrs. Hancock and Mrs. Pollard for cooking the turkeys; Mrs. Hancock and Mrs. Bilton for iced cakes; Miss Ewings and Mason Hussey, for trees; Nicholls & Gee for crackers; Mrs. Hebditch, Nicholls & Gee, and the Speedwell Club for fruit. Mrs. Dunman, for a generous gift; Edge and Mrs. Vincent for eggs; Mrs. Roe and Dr. Cartwright for chocolates and Mrs. L. F. Filer (Guernsey) and Dr. Cartwright and Crewkerne Brewery for tonics. Carving: Friends who donated money were: Mrs. Pollard, Mrs. Newke, Mrs. Gould, Mrs. Palmer, Mrs. Evans, Mrs. Hebditch, Mrs. Allan, Dr. Dauncey, Dr. Cheyne, Dr. Thompson and Dr. and Mrs. Duncan.

RIFLE CLUB
Another successful win was registered by "A" team who beat St. John's "A" by 590 to 587...while "B" team were held to a draw by 580 each. Both teams scoring 580. "C" team were surprisingly beaten by 572 to 566 by the Club's own "D" team. Scores: "A" team—Newman, 100; Dyer, 99; Reynolds, 99; Brooks, 98; Bristow, 98; Dickinson, 97. "B" team—Hembury, 100; Pritchard, 98; Frampton, 97; Turner, 97; Usher, 97; Bell, 96. "C" team—Foxwell, 96; MacCready, 96; Goodyear, 96; Stacey, 95; Bowditch, 93; Symons, 90. "D" team—Swaffield, 98; Klepp, 96; Woodley, 96; Miss Hardy, 95; Wetherall, 94; Ayers, 93.

As might be expected from "A" team's record, the season's fixtures have considerably improved their League position and previous to this with very little doubt only one point behind East Bristol Burnham and Somerset Light team fire their return matches with each of these three teams during January, so they have an excellent chance of the top end of the League table.

The "A" team are still leading "B" Division by two clear points over Wellington, who are lying second and who managed to hold "B" team to a draw last week.

The positions of "C" and "D" teams in "C" Division do not alter in spite of the recent series of losses by both teams. "C" team were fifth, while "D" team were ninth previously to last week's match.

Delay in Rural Improvements

Somerset Farmers' Concern

Serious concern was expressed by Mr. F. C. Golledge a headquarters delegate, at the annual meeting of the Somerset County Executive National Farmers' Union, on the lack of progress with rural improvements including electricity, water supplies, barbed wire and rubber boots. It was time, he said, that they voiced their concern when they were asked to produce more food. He also suggested that the Union should seriously consider asking for the removal of some of the restrictions on private flying. Rules as to how low to go now than wait until wires were dropping when, he was afraid, they might be asked to shoulder the whole burden.

Mr. J. B. G. Gilling (retiring chairman) presided.

Mr. J. T. Beresford, another delegate, said the Machinery Committee were collecting a museum of specimens of inferior workmanship in tools which were to be taken to the Ministry, who hoped to take an active part in remedying the situation. The fault did not lie entirely with the manufacturers, but farmers could not produce more food with inferior machinery.

Mr. Gilling was re-elected chairman.

The financial statement showed a deficit on the year of £2665, compared with a deficiency of £175 for the previous year, but it was pointed out that there had been a capital profit on the sale of investments of £400.

Mr. F. W. Dunn, of Langport, was elected chairman for 1949, with Mr. C. T. James (Portbury) vice-chairman. Mr. A. L. F. Filer (Queen Camel) deputy chairman. Messrs. F. C. Golledge (Castle Cary), T. Reynolds (Wellington) and J. Picton-Davies (Westonsuper-Mare) were elected delegates to headquarters with Messrs. L. R. Jobson (Minehead), W. F. Snell (Yeovil) and L. V. Fiske as deputies.

At the annual meeting of the County Branch in the afternoon a resolution was passed stating that the branch was greatly disturbed at the lack of increased facilities for the processing of Somerset milk and the lack of encouragement to cheesemaking.

Another resolution suggested to the Ministry of Food that there should be an "Eat more Potatoes" campaign in view of the heavy crop harvested.

"SECOND AGRICULTURAL REVOLUTION"

The National Vice-President, Mr. H. Collier, gave an address, in which he said he believed that there was a second agricultural revolution taking place in this country at the present time —a revolution that was increasing the output of the land at a very great pace. They could take reasonable satisfaction over the Agricultural Marketing Bill as published and, if they got the amendments in the Act that they desired there would be no cause for alarm.

150 Guests at Yeovil Division Party

Highlight of the annual party for children of officers of the Yeovil Division, Somerset Constabulary, was Thursday's visit from Father Christmas (Supt. J. S. Hannam), who arrived on a sleigh drawn by a Shetland pony, loaned for the occasion by Mr. C. Robbins.

Altogether about 150 wives and children from all parts of the Division attended and among the guests at tea was the Assistant Chief Constable (Mr. J. A. Taylor). In addition to the competitions and games, the programme of entertainment was arranged including community singing, for which Mr. Caines' orchestra played, a film show presented by Mr. Hannam, and the exhibition of conjuring given by Everett Kaye. Supt. Hannam and the administrative staff at Yeovil were responsible for the organisation and the tea was supervised by a ladies committee.

Frost Cut Programme by Half

The attendance for the postponed Boxing-day fixture at Wincanton, held on Tuesday, was considered very fair under the circumstances, fixtures on Monday was impossible owing to the frost in the ground, but this had thawed overnight, and at 12.30 was made good. The card, at 12.30 was made with Bayford Novices' Hurdle over two and a half miles, and resulted in a very close finish. Six Shooter, trained by ex-jockey Billy Parvin, near Tidworth, got up to beat Christmas Gift, who had made most of the running, and won by half-a-length, with Arawa only three quarters of a length away third.

W. Redmond broke his collarbone when Sunset was cast down in the Bruton Selling Handicap Chase. Showman scored the features of the season for Yeovil trainer Major Champneys, and was bought in after the race for 400 gns.

Mr. J. Bridges' mare Regidore was given as the racecard as "unknown," was a one-time inmate of Tony Colling's riding school near Minehead. Since going solo has won several races and now was brilliantly backed at 5-2 favourite for the Blackdown Handicap Hurdle race. T. Isaac, who trains as well as rides, gave the mare a fine ride to win a fifty-year-old Porlock Folly, who beat Priscilla by one and a half lengths.

Mr. Norrington, trainer, Gerald Balding, is a one-time international polo player, and his jockey Mr. Sims, is associated with six-year-old Torhill in the Black Dog Novices' Chase. Although both Royal Code and Royal Code were at shorter prices in the market they could not cope with Torhill, who ran on gamely to win by five lengths from Royal Mark, with Royal Code six lengths further away third.

Simeon de Monfiort was a disappointing favourite in the concluding race in the programme, the Open Chase. After Dem Carver had flattered on the turn for home, The Master and Mr. Pilgrim fought out the front and galloped away to win by four lengths.
