### HAYTER AFTER THIRD PLAY-OFF SUCCESS

### TO GO WITH FASTEST HAT-TRICK RECORD

**JAMES HAYTER** wants to complete a hat-trick of play-off final wins to go with his record for the fastest ever Football League treble.

Hotshot Hayter, 34, made history by scoring three times in just **140 SECONDS** in Bournemouth's 6-0 win over Wrexham in 2004.

The striker also helped the Cherries to victory over Lincoln in the 2003 League Two play-off final before scoring the winner for Doncaster against Leeds in the League One final in 2008.

### Devastating

Hayter, aiming to lead Yeovil into the Championship for the first time in their history, said: "I've been promoted twice and both times through the play-offs.

"I want to keep that record going. People tell me it is devastating to lose a play-off match and I do not want that feeling.

"My two old clubs have gone up automatically and I want to join them and

play against them. The hat-trick gets talked about a lot but I rate getting promoted above that.

"If we win on Sunday it would probably be the biggest achievement I've made."

Gary Johnson's side were outsiders to win the play-offs but Hayter believes they can continue to defy the odds.

He added: "We go into the game against Brentford thinking we have a great chance of winning.

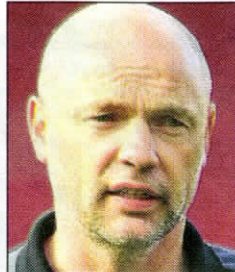

"We've beaten them twice in the league, although on the day that doesn't count for much.

"It is such a great occasion and something you remember for the rest of your life. It is my best memory in football and I want to emulate it on Sunday."

Yeovil boss Johnson, who led the club to the Conference title a decade ago, said: "It'll be a great day out but there is no point getting to Wembley and losing."

ROSLER . . . 68th game

## Game on for Uwe

UWE ROSLER reckons Brentford's shattered stars have defied logic to even be in with a shout of play-off glory.

Rosler's men will look to summon the strength to see off Yeovil today — and wrap up their 68-GAME season with a Wembley party.

Throw in the dramatic final-day defeat in the promotion decider against Doncaster and Rosler's weary squad could be excused for being on their last legs.

The Bees boss said: "We have one more big hurdle to go. We are still up there and are fighting to reach our target.

"We want to keep the core of the players and can only do that if we go into the Championship."
