Roberts hails his six o'clock stars

John Lukins reports

ARRANGED at 24 hours notice, and with a 6pm kick-off, it was all a bit unreal. But the 694 spectators who saw Yeovil Town beat Carshalton 2-0 in the ICIS League's Full Members Cup on Saturday witnessed what manager Graham Roberts described as "our best performance for some time".

The kick-off time was down to the Screwfix League who dug their heels in and were adamant that Yeovil couldn't change their reserve fixture with Keynsham.

Steve Browne, who was released from his Yeovil contract two months ago, asked to return to Huish Park and in his efforts to get match fit played in Yeovil reserves 2-0 defeat to Keynsham Town on Saturday.

Also playing in the Glovers' second string was Leroy Whale who went on holiday over the Christmas period.

"Leroy will be involved somewhere on Saturday," said Roberts who is confident flu will not stop himself playing.
