STRIKER Jamie Laidlaw is the first player to leave Yeovil Town as manager Graham Roberts embarks on some pruning to trim the wage bill.

The 20-year-old who joined towards the end of last season from Swindon, scored in his farewell appearance – Tuesday's ICIS Full Members Cup victory against Bognor Regis.

But his chances of getting a regular start had further dimmed following the £20,000 signing of Howard Forinton.

"Jamie has been playing for us on a non-contract basis so I've told him to find another club", said Roberts.

GRAHAM Roberts wants a head to hang on his office wall – that of the deer which came close to killing him last Thursday.

The 37-year-old Yeovil Town manager was driving home from training when he hit a deer on the A303. His car flipped over and was a write-off.
