● **SACKED:** Leroy Whale, whose contract with Yeovil Town has been ended after he went absent without leave over Christmas.

Yeovil have sacked Leroy Whale and released Robbie Peters.

Whale was Roberts' first signing for Yeovil two years ago. He had earlier paid £14,000 to take him from Bashley to Enfield when he was manager there.

Holiday

His sacking follows a two-week unauthorised "holiday" over Christmas. Spokesman Bryan Moore said: "We had to go through the correct procedure to do this properly. That involved giving Leroy time to appeal against the decision. But he didn't.

"We hold his registration and he can't go anywhere else without our approval".

● **SPOT-ON.** The impressive Howard Forinton knocks in the penalty that regained the lead for Yeovil Town against St Albans on Saturday. They went on to win 3-1 with Forinton also laying on the third goal. *Picture by Nigel Andrews.*
