

TOUGH..TRUSTED..MASCULINE

TISSOT PR 516

Particularly Rugged, even for a man's watch, yet technically highly sophisticated.

Look at the exclusive Tissot 'shock damping' system that cushions the floating movement... at the extra thickness of crystal, case and screw-on base that makes water-proofing extra safe...

Made at Le Locle, Switzerland..

That's the new PR 516... magnificent in stainless steel or gold-plated... the watch a man can wear in the air, down at sea...

Recommended prices £17 to £25.
