

The watch that is  
changing people's  
attitudes to watches:  
**Tissot PR516.**

Tissot's dramatic styling has led the revolt against old-fashioned watches. Tissot's superb values make it easy for men to change their watches as regularly as they change their cars!

Illustrated is the selfwinding Tissot PR516 with date at £24.15., but PR516 prices begin as low as £17.10.

See the range of PR516 watches—with the famous Tissot 'bracelet with the holes' in steel or leather—and other Tissot models in our showrooms. We have a wide selection of these great Swiss watches—for men and women—from £11.10. Call in this week.
